

Kalerm Pro

Commercial Single Cup Whole Bean-to-Cup Brewer

Elevate your bean-to-cup brewer with the Kalerm Pro! Provide employees and guests the barista experience in the workplace with this aromatic bean-to-cup brewer.

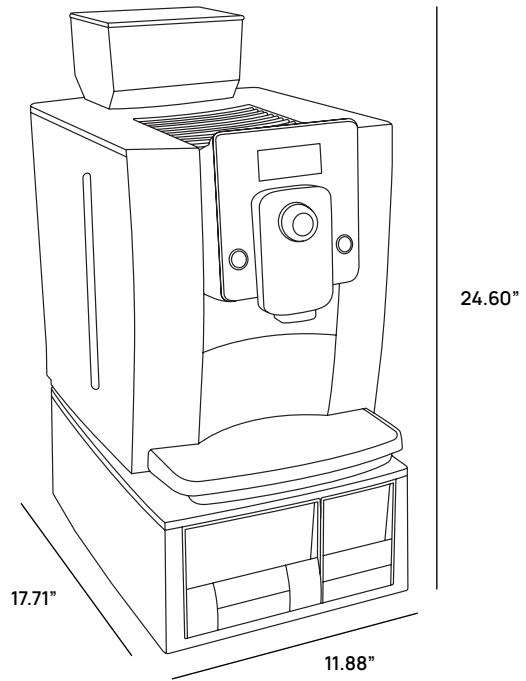

Product Details

With one roasted whole coffee bean hopper, a pre-ground coffee powder container and a fresh milk container, the Kalerm Pro brews a wide variety of coffee drinks in the office including Espresso, Long Coffee, Cappuccino, and Lattes! With intuitive touch button dispensing, anyone can be a barista!

Commercial Whole Bean to Single-Cup Coffee Brewer

- Brews Ristrettos (0.85 oz.), Espressos (1.35 oz.), Long Coffees (8 oz.) with freshly ground coffee with or without hot fresh milk or milk foam
- Accommodates cup heights from 3.2" to 5.5" perfect for everything from espressos to lattes
- One whole bean hopper with pre-ground coffee powder container, and fresh milk container
- Provides 50 cups before requiring coffee bean hopper refill
- Instant hot water dispensing for teas, soups, and oatmeal
- Dual easy-to-use touch button dispensing
- Modular design with removable replacement modules for easy servicing and repairs
- Energy saving mode and automatic shutoff for energy efficiency
- Uses whole coffee beans available from Culligan in Gourmet, Premium, and Super Premium packages
